## **PORTION OF VIRGINIA CAPITAL TRAIL TEMPORARILY CLOSED**

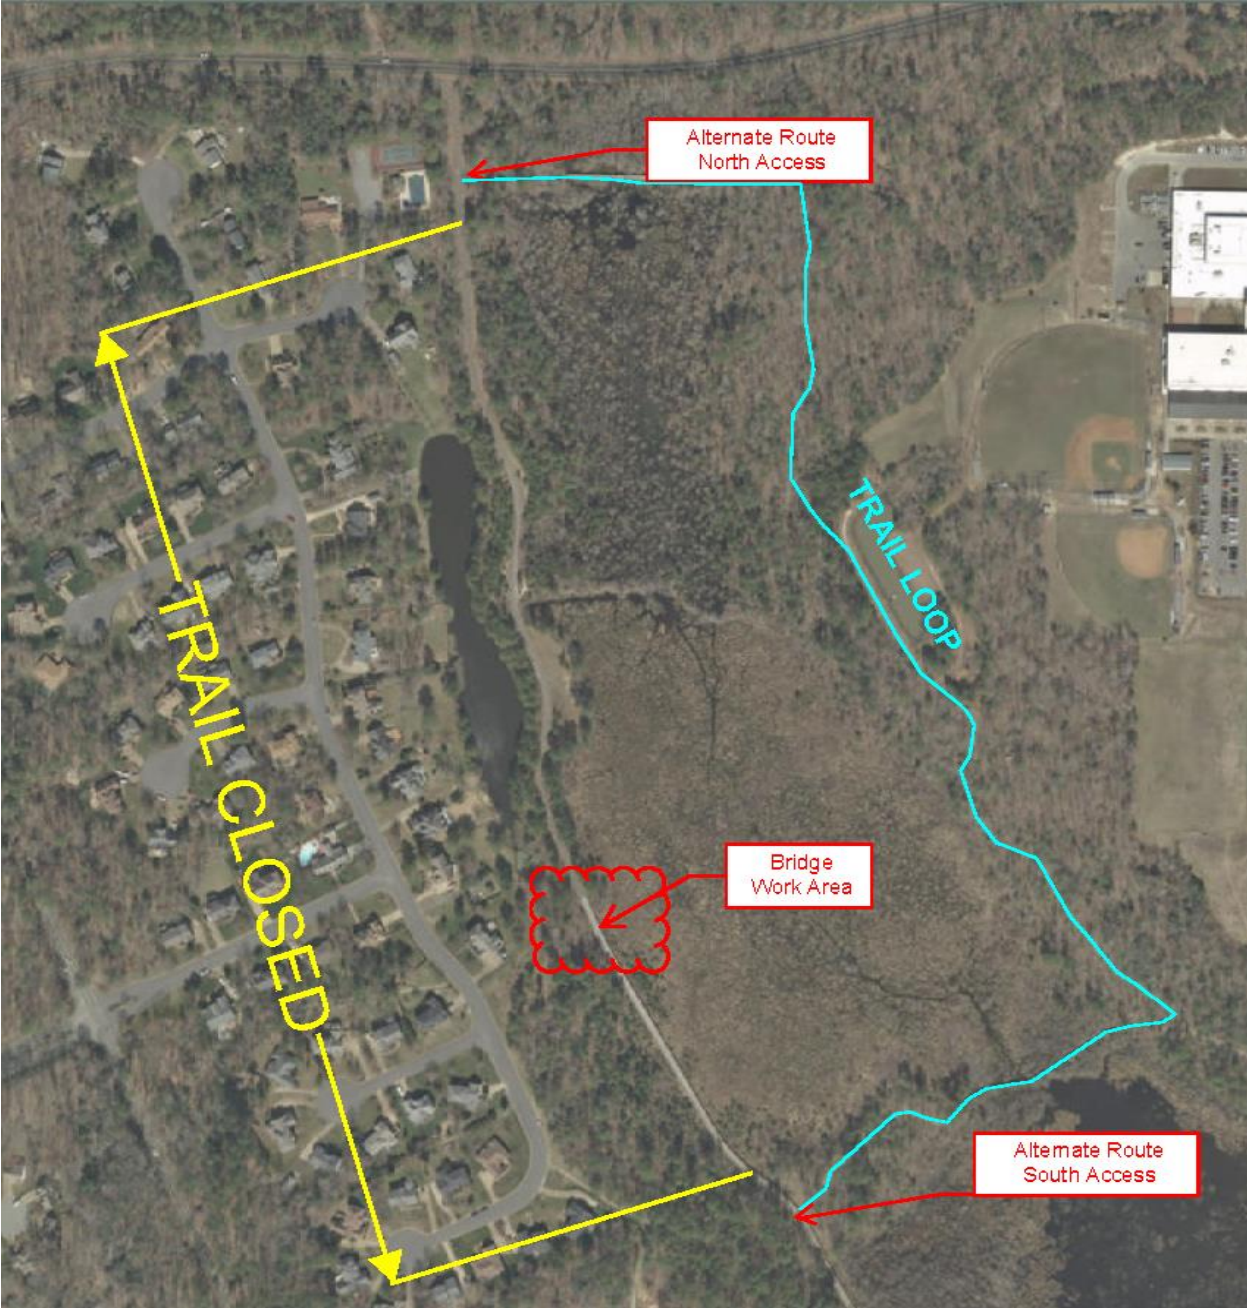

*Multi-use trail closed between mile markers 1 and 2 until further notice for emergency repairs*

**JAMES CITY COUNTY** – As of July 23, the Virginia Department of Transportation (VDOT) has temporarily closed a portion of the Virginia Capital Trail, between mile markers 1 and 2, until emergency repairs can be completed on a damaged section of the wooden bridge. Repairs are estimated to begin in August, lasting approximately 2 to 3 weeks.

As a safety precaution, a portion of the trail will be closed to pedestrians until further notice, and trail users should utilize an alternate route along the Virginia Capital Trail.

The Virginia Capital Trail is a 54-mile bicycle and pedestrian shared-use trail that connects Virginia's past and present state capitals of Jamestown, Williamsburg and Richmond along Scenic Route 5.
